## Weave Parkhead is coming to The Forge!

Drop by anytime between 9am and 5pm - all ages welcome. Say hello or have a go - we'll have big looms, wee looms and all things in between.

You can also find out what we've been up to so far and have your say on what you think should go on the Parkhead panels. Do you have stories to share or a tale to tell? The biscuits are on us - see you there!
